Concealed Handgun Licensee,

Enclosed is your Clackamas County concealed handgun license. Oregon Statute requires you to be in possession of your license whenever you carry a concealed handgun.

Remember, your license does not permit you to carry a handgun on federal property, in a federal facility, at the airport, in a courthouse or on private property where it is posted firearms are not allowed.

Please note the expiration date on your license. You may not receive notification when it is due to be renewed.

If you move, you must contact the Sheriff's Office of your county of residence within 30 days to make an appointment for a replacement license that reflects your new address. The fee for replacement is \$15.00.

If you have any questions about your license, contact the concealed handgun license unit at 503-794-8059.
