

ROLL CALL INFORMATION/REMINDER

Many officers have been encountering persons with Concealed Weapons Permits [CWP] and **DO NOT** know they have a recourse to have the permit Cancelled or Reconsidered based upon such things as:

- ▶ Failing to inform you on a traffic stop that they have a gun and permit in their possession.
- ▶ Demonstrating anti-police angry outbursts or intent to use physical resistance.
- ▶ Failing to keep CWP information current [Address, Registered Vehicles, etc]
- ▶ Demonstrating mental instability issues [automatic review in this case].

The CWP seizure forms are in the black file cabinet in the Report Room and are not used often enough at times.

Fill them out, attach it to your **Special/Custody/Investigative Report** and send a copy to **MCSO-CWP**. It's easy.
